# PETTRAC GLOBAL REGISTRATIONS

## What....

PetTrac is Avid's recovery database, the oldest and largest 24/7 microchip-based recovery system in the world. Avid offers two easy registration options for your clients to enroll their pets in PetTrac:

### Optional Registration

The form is purple -pink in color and provides your clients with information about the FriendChip and recovery services provided by Avid. Your clients fill out the form and enclose the registration payment. The cost to your client is \$18.50 for the lifetime of one or \$50.00 to enroll up to five pets. There is no Activation Fee. There is no Annual Fee.

### Prepaid Registration

The form is green in color and simple to use. These forms are located in a plastic sleeve in the inside lid of the FriendChip box. The form can be conveniently filled out by your staff or client when the microchip procedure is performed. The cost to you for your patient's lifetime enrollment is \$9.95 each. There is no Activation Fee. There is no Annual Fee. Now you can offer your client the microchip plus the registration for one service fee.

Avid will continue to track **every microchip** to the purchasing facility and provide medical alert information at no additional charge.

# PETTRAC PREPAID REGISTRATIONS

## How... When...

Your client or a staff member fills out the green postage prepaid registration form and your staff mails it to Avid right after the microchip procedure has been performed. Within 24 hours of receipt, PetTrac will have your client's pet in the recovery system, protecting the pet and the owner. This is total peace of mind for your clients.

## Why use Prepaid Registrations...

Pets are immediately traceable to owner.

This is an additional profit center by offering both Microchip and Lifetime Registration.

Offer the convenience of a LifeTime Registration for your patients, postage is prepaid.

Pet owner send in no money.

No annual membership fee; No activation fee.

Client data is kept confidential and only used to reunite lost pets with their families.

Saves staff time, let Avid PetTrac take the recovery calls.
